Dear Birthday Child's Family,

Firstly, thank you for choosing The Weinberg Nature Center to celebrate your child's special day.

We supply the outdoor space, indoor space (with tables, chairs & refrigerator), nature trails, party area, 1 to 1.25 hours of fun and adventure with a Naturalist Educator and you supply the rest.

*PLEASE NOTE- Parties for children ages 4 and up are "drop-off" only except for the birthday child's family.

Parties typically begin with a Naturalist led craft until all guests have arrived. A Naturalist Educator led activity of your choice will follow. Choices are:

Live Animal Presentation

Nature Hike/Scavenger Hunt

Native American

Custom Theme

Nature Games

After the activity, the partygoers have lunch and/or cake in the party room or the picnic tables hosted entirely by the parent. The party area setup and cleanup is the responsibility of the parent. Please begin to pack up in a timely manner so that the party has been cleaned up and all leave the building by the agreed upon time. The building will be closed shortly after.

Party Times: Lunch times are optional, of course. If parents opt not to include lunch, other time frames would be 1:30-2:30, 2:00-4:00. You may want to serve light snacks and a drink. The building will close shortly after the agreed upon time, so please plan accordingly (Enlist some of the moms and dads that stay to help you serve, clean up and pack up the car- they won't mind!). The trails & grounds are open dawn until dusk, so feel free to stay and enjoy them. The building is normally closed on weekends. For your convenience, it will open 30 minutes before the event for set up. Relax and have fun. The time will surely fly!

Eco-Friendly Party Suggestions: Use **Paper, biodegradable or recyclable goods. No Styrofoam, please. No Helium Balloons-** when released in the atmosphere are very hazardous. They are not biodegradable and can be ingested by any number of animals mistaking it for food. Balloons are especially deadly to fish, marine mammals, reptiles and birds. We suggest making a decorated poster board to welcome your guests to the party. This can be attached below our entrance sign the day of the party. Reduce your carbon footprint by buying from local businesses that use food grown or produced locally. Pull-string type piñatas **only** please.

Parking: The birthday child's family may park by the building, but all other guests must park in the lot.

Payment: Please make checks out to the **Village Of Scarsdale**

Yours in nature,

Cindy J. Polera
